Sir :

A response to the Office Action mailed February 9, 2007 is due by March 9, 2007. The Action required restriction between the following:

Applicants hereby elect Group I of claims 1-7, drawn to a film forming method, for examination in this application. Applicants advise that no change in the inventorship of the application will be required by the eventual cancellation of non-elected claims.

Applicants reserve the right to file divisional application(s) for the non-elected claims in due course. Also, Applicants remind the Examiner that new claims 9-13 were added to this application by the Preliminary Amendment filed in the United States Patent and Trademark Office on October 7, 2005.
